HALF A DAY IN A RECORDING STUDIO

Spend half a day in a top class, West End quality recording studio, with a producer/engineer, to record your song, or someone else's song to professional level quality.

If you are a band, or a solo musician wishing to bring other musicians to play, or a vocalist who wants to record a backing track, we can accommodate any of the above, 4 hours of recording time which will then be mixed and mastered for you so you can share with friends or family, post on You Tube or release on Spotify!

The studio is located just outside Epping / Ongar in a peaceful rural setting and is fully soundproofed and acoustically treated, so make as much noise as you like... provided it's in time and in tune!
